

**Education**

B.S. Civil Engineering, 2016  
Norwich University  
Northfield, Vermont

**Certifications**

Civil Engineer  
State of California  
No. 95158

**Professional Affiliations**

American Public Works Association,  
Monterey Bay Area Chapter

**Awards**

2018 Young Professional of the Year,  
American Public Works Association,  
Monterey Bay Chapter

## Angela Hebard, PE

*Engineer III*

**Professional Qualifications**

Mrs. Hebard joined MME in 2016. Angela is a skilled collaborator with colleagues and consultants. She resolves engineering problems with resourceful solutions. One of her most exceptional skills is maintaining cooperative relationships with agencies and other designers. Angela enjoys the challenge of problem solving while providing support and improvements to local communities.

Angela has experience with plan drafting including grading, drainage, and erosion control plans. Her design experience includes underground utilities, site grading, ADA accessible routes, slope stabilization, and storm water collection systems. She has proficient technical writing skills that allow for detailed and comprehensive engineering reports.

Angela has mastered AutoCAD, especially Civil 3D tools, and she often trains new employees with the software. She showcases her project management skills by efficiently delegating tasks between co-workers based on individual strengths. Angela is a great addition to any project that would benefit from thoughtful organization and detailed recording of decision making and design progress milestones.

The following is a list of highlighted projects from Angela's design portfolio:

- County of Santa Cruz -  
Felton Library Park
- City of Watsonville -  
Sydney Avenue Sewer, Storm, and Water Improvements
- City of Scotts Valley –  
Scotts Valley Dr. / Mt. Hermon Rd. Intersection Improvements
